

Section 16 Tales—A New Way of Learning!

Education by entertainment! Section 16 Tales teaches the kind of things that you won't learn at conferences, nor in treatises or firm memos. Alan Dye & Broc Romanek bring their decades of experience—and stories from their vast network of practitioners—to bear in this Beginner's Manual.

We're so certain that you will love this book, that you can ask for your money back if unsatisfied for any reason.
